

Financial Management Workshops 0.05c/l

The Evolve Financial Management Workshops, facilitated by Mary Kingston, provide farmers with valuable insights into making informed financial decisions and optimising overall farm performance. Key topics covered include effective cash flow management, ensuring appropriate stocking rates for your farming system, and understanding the bigger financial picture of your farm business. These workshops aim to equip farmers with the knowledge and practical tools needed to improve financial efficiency, maximise profitability and support the long-term sustainability of their farm businesses.
